Storyline. In "the public" an unusually bitter Arctic blast has made its way to downtown Cincinnati and the front doors of the public library where the action of the film takes place. The story revolves around the library patrons, many of whom are homeless, mentally ill and marginalized, as well as an exhausted and overwhelmed staff of librarians who often build emotional connections and a sense of obligation to care for those regular patrons.

Public Policy. The term public policy covers the whole range of government actions designed to improve life in the United States. How much we pay in sales tax or into social security, whether the Clean Air Act is enforced, how many food stamps a family can receive, how best to patrol the borders, and even whether children need to pass a test before graduating from high school are all matters of domestic policy.
