Conducting Scientifically Crafted Child Custody

Dr. Gould's second edition expands on his previous book in which he laid out the fundamental empirical model for conducting child custody evaluaitons. This comprehensive and pithy volume challenges practitioners to adopt a scientific, empirical and scholarly mindset towards child custody evaluations rather than coming from a more clinically oriented point of view.

Conducting Scientifically Crafted Child Custody ...

In 1998, the first edition of Conducting Scientifically Crafted Child Custody Evaluations was an essential text for custody evaluators and those wishing to understand our work. The second edition contains the same guidance and insight, along with a superb review of what we know now that we didn't know in 1998.
