Dark elf warrior head because I can't stand the crazy tall high elf helmets and and I had some cold one knight shields sitting around that looked gnarly. My white lion models are some of the first models I bought when I was 12 and was just getting into the game. I think I've stripped and repaired them 3 or 4 times now.

This will be less of a battle report than a recap of the game played on Friday vs Steve. This is for a number of reasons including: it was the first time I had played the wood elves in 20 odd years, so for once I wanted to concentrate on the game and also Steve only decided to play high elves after I bought my army along for him to have a look at so I didn't have my normal battle rep ...

Description Edit. High elves were roughly of human height, standing from 5’5”–6’1” (1.7–1.9 m) on average, but were lighter, weighing from 130 to 180 pounds (59 to 82 kilograms). Even exceptionally strong high elves looked rather slim compared with other races, looking athletic rather than muscular. Most high elves were fair-skinned rather than dark, though sun elven skin was a hue ...
