Intoxicated by My Illness Summary - eNotes.com

But you do not die of being sick, you die of being alive. Death kills you well enough without the help of illness. And illnesses have put off death for some, who have lived longer for thinking that they were on their way out and dying.

Furthermore, there are diseases, as there are

In Anatole Broyard's Intoxicated by My Illness, instead of confronting the reality of his illness, he tries to rise above it. From the moment he found out he had been diagnosed with cancer of the prostate, Broyard was composed about it. "He felt something like relief" he says. He figures you have two choices when your life
