Why men would want more than sex. The reason men actually want more than just sex is because he is much better off having a woman who is open to him, than he is if he were just pushing for sex. Because if a woman is not open to a man (if she's closed off or judgmental of him), she's probably off having someone else's baby (this is from a man's perspective).

The Truth: What Men Are Looking for When They Push You for Sex

No matter how many people you hook up with or how many times you tell yourself that it's no big deal because it's just sex, there are definitive reasons why sex is much more than its physical components. #1 Sex means emotion. It's not just some sort of fairytale that people can get really attached after having sex with someone.
