an interesting intro to a age shaking, earsplitting problem that shakes the foundations of the ideological world to the very depths. it is well known that socialism is a very heady and complex...

Socialism: A Very Short Introduction - Michael Newman ...

Newman's very short introduction has the problem that many of these introductions have in that they must cover very complicated and lengthy terrain in a 100 or so pages. Socialism is duly hard as it is both internally and externally contested as a term, has 200 years of emerging and failing models and critiques, and has probably become even more polarizing in opinions since this book was written.
