It is almost a shock to read a novel written in a classically disciplined style. Mo's writing doesn't take short cuts or skip on background. Conventional in the finest sense and bold in terms of story and character rather than style. I was swept up in the story of the Chen family and the London triad.

Mo has a good sense of humor and a heart-warming way with characters. This tale of a Chinese family in England is at times a good series of lessons on Chinese culture. Somewhat clumsily (at times) juxtaposing triad gang strife with the struggle of a family to succeed, Mo weaves a story that is fun to read. Mo is a master craftsman of dialogue.

The Chens are immigrants from Hong Kong living in London. Chen, the husband and father, is a waiter in a Chinese restaurant at the start; but when goaded by spunky wife Lily, he makes a risky leap and opens his own take-out kitchen in an old garage—and is soon catering to lorry drivers who are insatiably hungry for the sweet-and-sour dishes that no self-respecting Chinese would touch.

Sour Sweet is a less optimistic, more mature work than The Monkey King and remains for many the quintessential Mo novel, securing his reputation as a writer. Mo's next two novels, An Insular Possession (1986) and The Redundancy of Courage (1991), represent some of the author's most ambitious and experimental work to date, and it is a shame that they have not received the same critical attention as Booker shortlisted Sour Sweet. An Insular Possession is perhaps Mo's least 'insular ...
