*Graham Room is Professor of European Social Policy at the University of Bath. The European Pillar of Social Rights (EPSR) was launched with much fanfare at the end of 2017. It followed on the heels of the European Commission White Paper on the Future of Europe, earlier in the same year. Both documents can be viewed as signs of optimism; a decade on from the financial crisis of 2018, it was ...

Social Europe and social justice: three steps to save Europe

Social choice theory or social choice is a theoretical framework for analysis of combining individual opinions, preferences, interests, or welfares to reach a collective decision or social welfare in some sense. A non-theoretical example of a collective decision is enacting a law or set of laws under a constitution. Social choice theory dates from Condorcet's formulation of the voting paradox.
